Re: United States v. Wilfred Lindsay
05 Cr. 564 (ARR)

Dear Judge Ross:

I am writing to request that the travel restrictions on my client, Wilfred Lindsay, who is currently on pre-trial release pursuant to this Court's order, be modified to permit him to travel from his home in Little Rock, Arkansas, to California, so that he can attend the funeral of his uncle, which will occur on Saturday, April 1, 2006. Mr. Lindsay would leave Little Rock on Friday and return on Sunday, and he would provide his exact itinerary and contact information in California to his Pre-trial Services Officer as soon as the details can be finalized.

Assistant United States Attorney Carolyn Pokorny has advised me that the government consents to this request.

Respectfully,

Jeremy Gutman

Attorney for Defendant
Wilfred Lindsay
